

Revelation Chapter 16:1–16

V. 1-16

1. Who's voice is speaking from the temple?
2. Some of these plagues we've seen before what is different this time or why repeat them?
3. How could we describe these painful soars and why do people receive them?
4. Will the seas, rivers, or fresh waters really turn into blood?
5. A plague such as the second and third would cause a drastic increase in what?
6. How will most people naturally respond to this increase?

## Revelation Chapter 16:1–16

7. How should we look at these events?
8. Who's really going to be responsible for global warming?
9. God's giving people signs through these events, the very thing they so often ask for, but how do they respond?
10. Why does God strike the beast?
11. God acts out of love for the people and how do they respond?
12. With the sixth angel we are given more details describing God's response to specific events. Most people think the final battle of Armageddon will be between who? What will the real Armageddon look like?

Revelation Chapter 16:1–16

13. Will there be Christians on Earth at Christ's return?
14. What is significant about the river Euphrates and it drying up?
15. Give a specific description of the unholy trinity?
16. Will frogs literally come out of their mouths?
17. How do these spirits get their power to do signs?
18. Why is their ability to do signs/miracles so dangerous?
19. Jesus tells us how to be ready for this day. What does He mean stays awake? What does He mean keeping your garment on?

## The Book of Revelation Chapter 16

### V. 17-21

1. What does it mean when Scripture talks about things happening in the air?
2. What is happening when the 7<sup>th</sup> angel pours his bowl into the air?
3. Where have we seen flashes of lightning, rumblings, peals of thunder, and a great earthquake before?
4. How will that event affect the awesome things of this world?
5. Even as creation is being destroyed under the spiritual reality of God's power and might, how will most people respond?
